The Dean's Column

Greetings and Happy New Year!

I don't know if you had to write any checks yet this year but 2017 just seems strange!!

I hope you all enjoyed the brief slowdown with the snow/Ice Storm we had this past weekend! It was really kind of nice to be able to sit at home by the fire and just relax!! I hope you all got to enjoy that time after the hectic month of December!

The Board met today, Thursday, January 12th. We decided it would be best to reschedule Smorgansbord for spring. Weather will be much more cooperative!!!??

We need to thank Mark Andersen for getting the clinicians together and contacting them about the reschedule....all agree this is the best

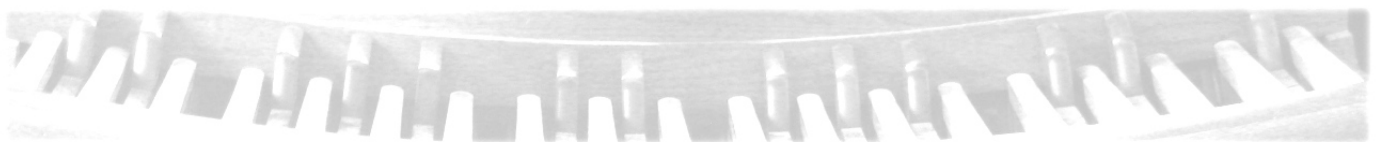

decision for now. We all have been extremely busy during the Advent/Christmas season. We have also gotten word from Karl Zinsmeister that White Memorial Presbyterian Church will be able to make the schedule change too!

So, put April 22 on your calendars now! We are excited about the line-up. We hope to have a DVD of Marcel Dupre playing at St. Sulpice in Paris back in the 60's. I've seen it and you will be amazed at his playing! We'll even have one of his students tell about his experience studying with Dupre! You don't want to miss this event!

Now...don't forget.. Ash Wednesday is March 1.... just around the corner!

Peace and new year's blessings to all!

HISTORY CORNER

Early meetings of the chapter were multi-day events. Recitals and musical offerings were not strictly limited to organ alone. After the business meeting and discussion of "Problems of the Church Organist", the Phoenix Club of the N.C.C.W. sang: "The Moon Drops Low"-Cadman; "The Night Has a Thousand Eyes"- H.H. Woodman; "The Song of the Sun"-Edith Lang.

ORGANS AVAILABLE

Holtkamp Organ Available: A nine rank, two manual Holtkamp pipe organ built in 1970 and in continuous liturgical use in Durham NC will be available in January 2017. Well maintained and fully functional with detached console, this organ is suitable for a mid-sized church, a studio or personal residence. Professional relocation, installation and voicing can be arranged. Contact St. Luke's Episcopal Church, Durham NC (919) 286 2273 or Scott Chapman FSMChapman@gmail.com

Village Presbyterian Church in Fayetteville has an older organ that is just sitting in storage. I know nothing about it other than at one point it needed repair and they could not find anyone to repair it. I think they would be happy to give it to someone who might be willing to take it. If you know of anyone who might be interested, I would be happy to let them see the organ.
